## Microsoft Contract Information

I am writing in response to your request for information of 19 May 2023, which was for:

### “complete contract information of Microsoft”

Our licensing with Microsoft is covered by an agreement called an “enterprise subscription agreement”. This is a 3 year contract we placed with Phoenix Software in April 2022 following a mini-competition via Crown Commercial Service’s Technology Products and Associated Services framework contract, prompted by expiry of the previous agreement.

The licences and quantities covered under the agreement at the outset are shown below:
